

Dropshipping

The „Dropshipping“ service is available to you via our [webshop](#).

The following conditions must be met:

- Only possible for webshop orders.
- Deliveries within Germany or in EU-Member states.
- The delivery address must be entered in the web shop by the trading partner himself (see point „How do I set the delivery address?“ on page 2/2).
- If the customer’s delivery note is to be enclosed, it must be sent to us promptly as a PDF file. If you want permanent shipping in your name, we can deposit your delivery note in our system.

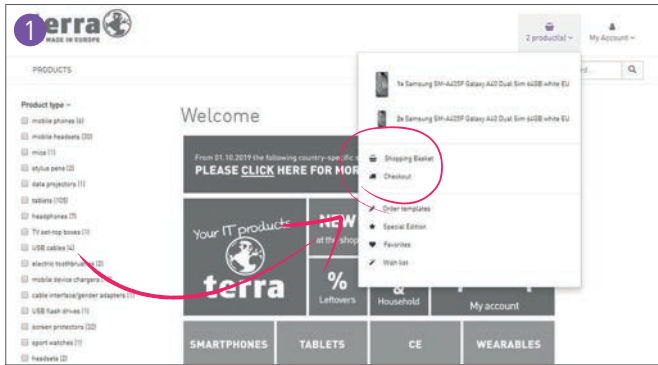

The advantages of dropshipping in detail:

- Less capital is required.
- Low running costs.
- Wide selection of products to sell.
- Competitive advantages for certain products.
- Low overhead.
- Minimal effort.
- Flexible location.

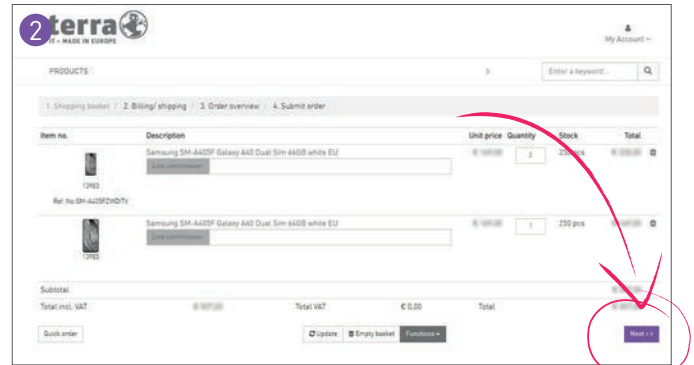

Dropshipping abroad:

- A maximum of 5 devices.
- Maximum value of goods 3,000 €.
- Larger volume on request.
- No freight free limit when shipping abroad.

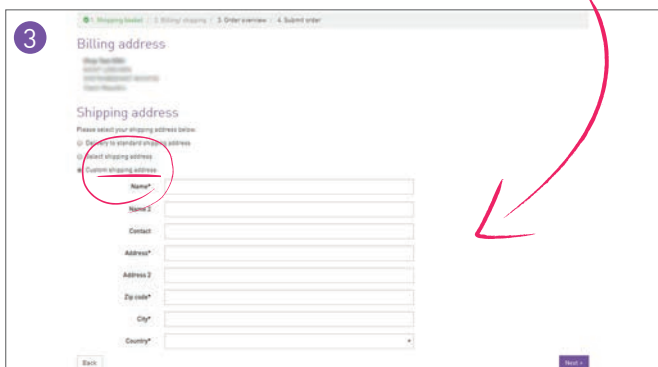

How do I set the delivery address?

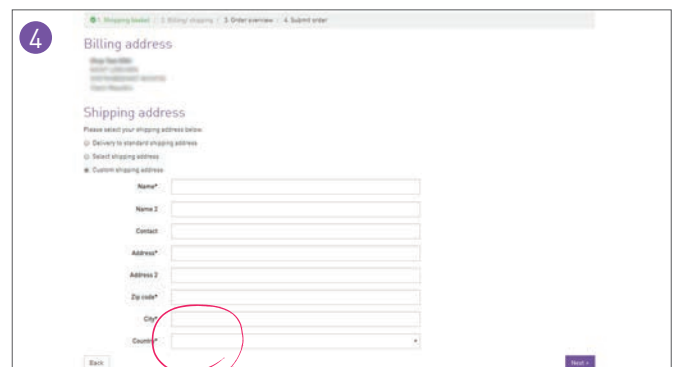

- Click on **X product(s)**, **shopping basket** or **order**.

- If you click on **X product(s)** or **shopping basket** you should be in the **1. Shopping basket**.
- Click on **Next**.

- Under Shipping address select the item **Custom shipping address**.

- Fill out the form.
- „Country“ **must** be a member of the EU.
- Finish ordering process.

What else is there to know?

- Shipping costs EU-Member state **9,90€**.
- **Shipping by UPS:**
 - **UPS** does not deposit any messages with the end customer but delivers again. After 3 unsuccessful delivery attempts the goods will be returned to us. These costs are passed on to the trading partner.
 - Additional costs for separate destinations, corrections, address changes or refusals are going to be passed to the trading partner.
 - The contract is concluded between the (commercial) end customer and the trading partner, service processing and returns are only handled by the trading partner, not by us.
