

# Dropshipping

The „Dropshipping“ service is available to you via our [webshop](#).

## The following conditions must be met:

- Only possible for webshop orders.
- Deliveries to EU-Member states (tax free deliveries within Germany are not possible).
- The delivery address must be entered by you in the [webshop](#) (see point „How do I set the delivery address?“ on page 2/2).
- If your delivery note is to be enclosed, it must be sent to us promptly as a PDF file.  
If you want permanent shipping in your name, we can deposit your delivery note in our system.

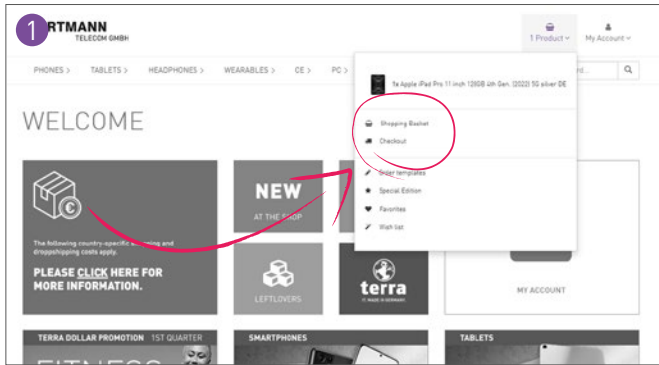

## The advantages of dropshipping in detail:

- Less capital is required.
- Low running costs.
- Wide selection of products to sell.
- Competitive advantages for certain products.
- Low overhead.

### Shipping by UPS:

- **UPS** does not deposit any messages with the end customer but delivers again. UPS may make up to three delivery attempts at its discretion at your address on regular UPS delivery days. If you're unavailable when UPS attempts delivery at your address, UPS may deliver your parcel to a UPS Access Point® location near your home, where your parcel will be held for you to collect for 7 calendar days. After 7 calendar days, your parcel will be returned to the sender as undeliverable. These costs are passed on to the trading partner.
- Additional costs for separate destinations, corrections, address changes or refusals are going to be passed to the trading partner.
- The contract is concluded between the (commercial) end customer and the trading partner, service processing and returns are only handled by the trading partner, not by us.

### Shipping by Trans-o-flex:

- **Private customer** – Not available.
- **Corporate customer** – **TOF** undertakes another one the following day delivery attempt.
- Additional costs for separate destinations, correction,
- Changes of address or refusals that TOF in Invoices are also passed on to the trading partner given.
- The contract is between the (commercial) end customer and to the trading partner, Service processing and returns only go through the trading partner, not about us.
