

## Information...

... for data integration in purchasing systems

On this information sheet you will find all the data you need to integrate our services into your purchasing system. If you have any further questions, please get in touch with your sales contact.

### Synaxon EGIS

#### General information

Customer number: Your customer number (5 digits) at WORTMANN TELECOM (see "My account" → "[Company details](#)" | Login data for the WORTMANN TELECOM webshop required).

**Attention!** The WORTMANN AG customer number only works for purchases from WORTMANN AG. If you make a purchase via WORTMANN TELECOM, you have your own customer number!

#### Details for online orders

Login online order: Your login ID for the EDI connection starting with "biztalk\_" (see "My account" → "[Electronic order connection](#)").

Password online order: Your password for the EDI connection (see "My account" → "[Electronic order connection](#)").

#### Information for individual price queries in real time

Login price query: Your webshop ID (login ID). The login name is always your e-mail address with which you are registered with WORTMANN TELECOM.

Keyword price inquiry: Your password hash (see "My account" → "[Customer Webservice](#)").  
Your password hash changes every time you change your password for our webshop.

**Attention!** In order for you to be able to place an order without any problems, the fields for the individual price inquiry must also be filled in!

### View in EGIS

The screenshot shows the EGIS portal interface. At the top, there is a navigation bar with tabs for 'Ihre Konditionen', 'Ansprechpartner', and 'Zugangsdaten / Vereinbarungen'. Below this, there are sections for 'Allgemeine Angaben', 'Individuelle Lieferantenvereinbarung', and 'Angaben für individuelle Preisabfragen in Echtzeit'. Each section contains input fields for customer numbers, login IDs, and passwords, along with a 'Speichern' button. On the right side, there is a profile card for 'Denny Vahle' and a 'WORTMANN TELECOM GMBH' contact information section.
